

Hello from Andy and Iris.

It is hard to believe that this July we have been at Ballysillan for 10 years. We have so much to thank God for as we look back over our time here and we are excited about what God has planned. We hope to produce a news update at least twice a year to keep you up to date with what is going on. Thank you so much for your prayers and support over the last 10 years. The work in Ballysillan continues and your prayers and support are much appreciated as we share Jesus with the people in North Belfast.

Give thanks for:

- The ongoing youth work in the Ballysillan area. We have youth club on a Thursday evening (Sept - April), Sunday School and other various opportunities to share the gospel through sport.
- Men's and Ladies outreach and the opportunities we have to get alongside those from the community.
- The 10 years we have had at Ballysillan.
- Those who have become Christians.

Please pray for:

- The Football camp from the 26th-29th May.
- Our Holiday Bible Club which runs the last week in July.
- The plans for our harvest mission.
- The continued door to door outreach.
- Our Tuesday night Bible Study and Sunday Night meetings.
- Us, that we will know God's guidance and strength as we serve and that lives will be changed through the gospel.
- That those who have become Christians will grow in their faith
